

# COMMUNICATION SECRETARY'S REPORT

**May 21, 2011**

As I complete my term as the Communication Secretary, I feel that we have addressed many situations and grown a great deal as an intergroup. It has been an honor to have worked with the board, committee chairs and group representatives on all sorts of matters. Our HP has guided us in many difficult situations.

I want to ask you, if you meet the qualifications, to consider serving in this capacity as Communications Secretary. It is a very fulfilling service and does not take a great deal of time. The qualifications and the job description are posted on our oaphoenix.org website. I will be glad pass on to the next person any information needed.

My thanks to everyone. It has been all of you that have kept me alive and have supported me through this service. I truly believe our service is HP's work in our recovery. And our recovery spreads throughout.

In loving service,  
Prue O.

ASDI Communications Secretary

“Always to extend the hand and heart of OA to all who share my compulsion;  
for this I am responsible.”
