

COMMUNICATION SECRETARY'S REPORT

January 15, 2011

Our Arizona Serenity in the Desert Bulletin seems to be working well. We are gathering information and a calendar to help our meeting keep updated for the coming week.

Also, I remind you that committee reports are posted on www.oaphoenix.org. I had some problems learning how to master the way to post reports, but I am willing to keep learning. I want to thank Kaye for helping me with this situation.

The Bylaws and Policy Manual are now current on the webpage for your use. Go to the Intergroup pull down and then click on General Information. The Bylaws and Policy Manual are there.

Try the Lifeline Weekly on the web. On the left side of the front page of our website click on Lifeline Weekly. Scroll down to many mini Lifeline stories.

In loving service,

Prue O.

ASDI Communications Secretary
