

COMMUNICATION SECRETARY'S REPORT

December 18, 2010

The new Arizona Serenity in the Desert Bulletin that I have begun to send out every Monday seems to be working well. It is used to send out information and a calendar gathered since the previous Monday.

Also, I remind you that committee reports are posted on www.oaphoenix.org. I have had some problems learning how to master the way to post reports, but I am willing to keep learning.

In loving service,

Prue O.
