

Chair's Report

April 16, 2011

Unfortunately I am not able to attend this month's Intergroup meeting. My family is moving Saturday and I just could not make it on time. Thank you to my Vice Chair for conducting our Intergroup meeting. Even though I cannot be there I wanted to share the highlights from this past month:

***I attended Region 3 assembly in Houston. It was a terrific learning experience for me and I hope to share my full report with you next month

***Thank you again for the awesome work by the special ad-hoc office committee and all their volunteers.

***May 14th is a very special Speaker Series meeting, a workshop on Service and Traditions. I encourage each meeting to send a representative to this workshop. Our Delegate/Reps will be contacting each meeting to personally invite everyone to this event.

With Gratitude

Charlene
ASDI Chair
