

Recovery Is Golden COMMITTEE REPORT

May 15, 2010

Ellen K. shared her experience with our committee of working on many area conventions over the years. She told us how it helped her work with others even though that was not her preference, calling herself a loner. The committee is very lucky to have that kind of long time recovery and experience to draw from.

Jan M. and Diana came forward to handle the Special Events committee and Greg has volunteered as co-Hotel Liaison. We are so grateful to them for stepping forward. Ask your group to contribute a raffle basket to the convention. We will let you know where to send these at a later date. Or better yet, maybe someone has an idea for a craft or item that the group would like to make and donate to the convention for the raffle.

We now have 10 registered for the convention. HELP! Hopefully there are many more of you waiting on the sidelines. The committees are working very hard. We need attendees! So register folks!

The keynote speakers have been chosen, but we will be assigning workshop speakers as we get registrations. Another reason to register, and give service by sharing your experience, strength, and hope. We have a wealth of that in our intergroup.

The Entertainment Committee is excited about putting on an OA skit or musical. Rehearsal will begin soon. Call or email Dee McC. for more information.

T-shirt orders are ready for sale, call or see Stephanie with your order.

S- XL	\$15
2X - 4X	\$20
5X - 6X	\$25

Our next meeting is Saturday, June 12 @ 1:00pm. Call one of the chairs and join in on the fun!
