

Vice Chairs Report
7/17/10

I attended the Day in OA this month and it was awesome, we all strengthened our recovery.

I have been working diligently on ways and means for the 2010 convention planning committee meeting. The Refrigerator Magnets are in the say "Abstinence is Golden" they are only \$1.50. The OA pens should be arriving next week.

I wanted to thank everyone for my new service position as Delegate/Rep I am very excited to start learning even more about OA, and to help continue to carry the message.

In Loving Service,

Stephanie H
