

Vice Chairs Report
8/21/10

I have been working on preparing for my first convention as a Representative for this group and at Region Convention. I am very excited for this opportunity to continue my service to OA.

I was working on Ways and Means for the 2010 convention. I am looking forward to the upcoming year and taking my service commitment in OA to a new level.

I will be working with Kaye W on job descriptions for Committee chairs. I encourage everyone to take a leap of faith and become a committee chair it is rewarding service commitment.

In Loving Service,

Stephanie H
