

Vice Chairs Report

May 21, 2011

I attended the service and traditions workshop last weekend and it was awesome, it really helped me strengthened my recovery. I learned allot of new and exciting things. I encourage everyone to attend one anytime they have the opportunity.

As many know I am ending my position next month I encourage someone to pray and mediate to think about running for vice chair. I was shocked when I said yes when asked at the intergroup meeting 2 years ago but I am so grateful for this opportunity to serve. It will truly be a blessing in your life to serve this intergroup and it will strengthen your recovery.

If anyone has questions on this service position please email me at auntsteph1994@aol.com or call me at 623.687.5930 I will help in any way I can.

In Loving Service,

Stephanie H
