

Vice Chairs Report

2/19/2011

It has been a very eventful OA month for me, I attended the Winter Retreat and the February Speaker Series event sponsored by the 12 step within Committee.

I continue to be an active in the 12 step within committee helping wherever I am needed. I would like to truly thank from the bottom of my heart all those involved with the Winter Retreat, it was so amazing. I was only able to go due to the help of a fellow OA member (Thank you). It was such a spiritual experience from beginning to end. I really encourage all to end the next retreat I will start saving now to attend the next one.

The day in OA was wonderful thank you to all how helped make it a success. Committee Chairs please remember to email me when your committee meetings are so I can get them on the weekly calendar of events.

Blessings and in service
